

Have you ever been to Ossabaw Island? Would you like to go there to paint or photograph the natural undeveloped Island?

The Ossabaw Island Foundation has once again invited artists to make a day trip, or overnight trip, to the Ossabaw Island., between June 1st and September 30th. The cost would be about \$35 p.p. for the boat transportation over and back. For more information, "google" Ossabaw Oracle. They require a donation of 1 finished piece of art for their fund raising event in the fall. In return, you would be given a free ticket to attend that event.

It would be fun to go over as a small group. If interested, E mail me at [pcandbc@comcast.net](mailto:pcandbc@comcast.net) and I will try to find an agreeable date for a group of artists to go there.
